Dr. Jeffrey Koenings  
Director  
Department of Fish & Wildlife  
600 Capitol Way N.  
Olympia, WA 98501-1091

Dear Dr. Koenings,

Thank you for addressing the Washington Agriculture and Forestry Leadership Class 27 at our recent seminar on State Government. Hearing from great leaders like you is an important part of our learning experience at *AgForestry*. I know your schedule is busy, and I truly appreciate that you make the time to share your experience and knowledge with *AgForestry* participants.

Your ability to paint the broad picture of responsibilities at the Department of Fish & Wildlife was very captivating. I remain in awe of the vast areas your department oversees so that average citizens and our natural resource industries can benefit from our natural resources. We are fortunate to have your strong leadership in our great state to protect our natural resources for future generations of Washingtonians.

It was a great honor to meet you. Class 27 of *AgForestry* continues to see the value of this leadership program unfold at each seminar, and we thank you for your participation in the State Government seminar.

Sincerely,

Linda Condon  
Food Safety Program Specialist
